

# Matters handled in the recent past

- **Distributions of responsibility amongst NC Members made: Website management (Ms.Samanti Sarkar), Membership (Mr.Manas De), MoU etc (Dr.Giri)**
- **Compilation of membership list chapter wise**
- **School level training in 5 local chapters**
- **Following up of publication of 3 books**
- **Tropmet2018: Took maximum time**
- **IMD is now patron institute**
- **MoU with IAAM**
- **IMD DG assured 3 rooms at one location for IMS**

# Important decisions taken by NC & GB for implementation soon

- **Institution of Associate Fellowship: 40yrs limit**
- **Student Ambassadors by interested chapters**

For one year

Need based

To organise events

IT related work

Office related routine work

- **Constitution of local chapters**

Minimum 20 members

Either address of office or local

- **To hire skilled person with salary upto 50K**

# Specific request for local chapters

- **Future direction of IMS growth depends on local chapters**
- **Request for annual calendar of events with budget**

It will help NC to plan for requisite funds

- **To be prompt in financial matters**

We are paying penalty in filing IT returns

# We want IMS to:

**IMS activities will become complimentary to those of Gov organisations such as MoES, DST etc.**

**Make statements on important issues related to weather and climate**

**Work in PPA mode**

**Have a research division for senior scientists those do not have organisational affiliation**

**Float certified courses**

**Met Academy?**

# Vision

**TO MAKE IMS RELEVANT AT ALL WALKS  
OF LIFE LOCALLY AND PLAY IMPORTANT  
ROLE GLOBALLY**

*Thank you*
